

# KERRY & EDWARDS: RESIGN!

While running for President, both John Kerry and John Edwards have missed hundreds and hundreds of votes this year. Edwards has missed 43 percent of all votes this year and Kerry an incredible 88 percent.

*Eight years ago, Republican Senator Bob Dole resigned his Senate seat and gave up his powerful post as Senate Majority Leader—because the demands of the Presidential race made it impossible for him to fulfill his responsibilities as U.S. Senator. Shouldn't Senators Kerry and Edwards do the same?*

**IF KERRY AND EDWARDS CAN'T SHOW UP FOR WORK, THEY SHOULD RESIGN AND GIVE UP THEIR TAXPAYER PAID PERKS.**

**KERRY AND EDWARDS ARE FAILING TO REPRESENT THEIR CONSTITUENTS. CALL THEM TODAY AT 617-367-1551 AND TELL THEM TO RESIGN FROM THE SENATE.**
